Parent Training + Support Group Series

Aspiration and Discoveries is opening a Free Parent Training Group Series. The objective of the Parent Training Group is to equip parent to effectively help their children with their daily lives. Each series consists of three topics. One topic will be discussed in each session followed by video. Each session is about two hours long. Programs are as below:

2012 Fall series:

October 27th – ABA and power of Reinforcement

November 17th – Requesting and communication

December 8th – Teaching in the Natural Environment

2013 Winter Series:

January 12th – Dealing with challenging behaviour Part 1

February 9th - Dealing with challenging behaviour Part 2

March 16th – How to play and teach social skills

Fee: *Free

Session Time: 11:30am – 1:30pm (English)

2:00pm – 4:00pm (Mandarin)
