

Aspiration Afterschool Extracurricular Class Registration Form

Monday Advance Art Class – Mr. Kanson Lee

Students learn about color wheel and combining colors to create highlight, shade, and shadow. Students explore different techniques in using oil pastels along with other creative medium. Oil pastels have strong and vibrant colors that children love. They will also practice creating landscape and nature drawings. Learning to draw is fun and exciting process. They can gain confident, art concepts and learning skills in the class.
